

# Forever And A Day

Michael Learns to Rock

When the night has come  
and the day is done  
I'm always thinking of you  
you are in the air  
You are everywhere  
in the every thing I do

If I could keep this moment time  
if I could make you forever mine  
Baby I'm lost in your love  
from heaven above  
You came to bring me up

With you I feel that I could stay  
in love forever and a day

When I walk alone  
through an empty home  
I just can't stop thinking of you  
do you feel the pain  
Could it be the same  
are you missing me too

I see your face when I close my eyes  
I see a glimpse of my own paradise  
you came from heaven above  
I'm lost in your love  
Free as the wind  
you give me wings to fly

With you I feel that I could stay  
in love forever and a day

My girl I feel I could stay  
in love forever and a day
