

# Hanging On

Michael Learns to Rock

You keep me dreaming on  
in the middle of the day  
You are you are you are my love

You took my breath away  
I don't know what to say  
We are we are we are shaken up

I'm hanging on hanging on  
because our love is strong  
I can feel that this is real for good  
I wanna file your pretty smile  
because you turn me on  
It's in the air no need to knock on wood

You keep me sing along  
to the rhythm of your heart beat  
We are we are we are complete

Inside my head I know  
there is no easy way to go  
You are you are you are the heat

I'm hanging on still hanging on  
because our love is strong  
I can feel that this is real for good  
I wanna file your pretty smile  
because you turn me on  
It's in the air no need to knock on wood

You are you are you are ...  
My love  
We are we are we are  
lovers beneath the stars  
Kissing the universe above

Still loving you  
Still ... for always will Still loving you  
Still ... for ever will Still ...
