

## It's Only Love

Michael Learns to Rock

It's Been The Story Of My Live...  
The Things I Love I Have To Sacrifice...  
And Now There's Nothing Left Of Me...  
Feeling Invisible...In Need Of A Miracle...

I Try To Remember...It's Only Love...  
We Had To Surrender...There's No More Us...  
The World Keeps On Turning...And I Carry On...  
The Dream Of Another You...The Song That I Hold On  
To...

Another Castle In The Sky...  
Another Dream I Have To Push Aside...  
And Now I Kneel Before The Truth...  
To Face The Unthinkable...  
Feeling So Breakable...

I try To Rememeber...It's Only Love...  
We Had To Surrender...There's No More Us...  
The World Keeps On Turning...And I Carry On...  
The Dream Of Another You...The Song That I Hold On  
To...

Trying To Forget About You Now...  
Trying To Move On But I Don't Know How...  
It's Only Love...That I Feel...

I Try To Remember...It's Only Love...  
We Had To Surrender...There's No More Us...  
The World Keeps On Turning...And I Carry On...  
The Dream Of Another You...The Song That I Hold On  
To...Ooh...

I Try To Remember...It's Only Love...  
We Had To Surrender...There's No More Us...  
The World Keeps On Turning...And I Carry On...  
The Dream Of Another You...The Song That I Hold On  
To...
