

# Salvation

Michael Learns to Rock

Should I close my eyes so I don't see your smile  
Would it be a clever thing to do  
And should I stay away from you for a little while  
Should I leave it all behind

When you are giving me salvation just like someone heaven sent  
This wasn't meant to be baby can't you see  
This is an open invitation for the beginning of the end  
Though I'm flying now, I'm gonna be crying over you

Should I stop dancing on the edge of a knife  
Would it be a clever thing to do  
Should I lock my door should I stop kissing life  
Should I get rid of you

When you are giving me salvation just like someone heaven sent  
This wasn't meant to be baby can't you see  
This is an open invitation for the beginning of the end  
Though I'm flying now, I'm gonna be crying over you

This love is forbidden fruit (baby just stop looking at me)  
I should have cut you off by the root (this love just wasn't meant to be)

When you are giving me salvation just like someone heaven sent  
This wasn't meant to be baby can't you see  
This is an open invitation for the beginning of the end  
Though I'm flying now, I'm gonna be crying over you
