

The War Is Not Over

Michael Learns to Rock

(Na na na na na na)
(Ooh na na na na na)

I slowly walk on down into the night
To see how dreams of people die
They gently fall from windows all around
And crash against the ground like glass
And I'm so sorry, I'm so helpless in this angry world
If only I could change it for one day

The war is not over
Everyone knows it
It's just a reason to make us believe
That someone's the loser
Someone's the winner
To make us believe that's the way it should be
But I don't wanna believe

In the story they all say
This fairy tale has gone too far
I take a step and dare myself to be free
To see how beautiful we are
That everyone can be a star if only we would start
Believing in dreams, believing in who we are

The war is not over
Everyone knows it
It's just a reason to make us believe
That someone's the loser
Someone's the winner
To make us believe that's the way it should be
But I don't wanna believe
But I don't wanna believe (no, no, no)
But I don't wanna believe
