

# Upon A Christmas Night

Michael Learns to Rock

I put my name on a Christmas card  
with love from me to you  
'Cause I believe if we're strong enough  
our wishes will come true

They're dreaming of a white Christmas  
I'm dreaming of you  
I just need you by my side  
upon a Christmas night

I put a coat on I go for a walk  
and let the others talk  
Flashing starlight when I look up  
they know that I'm in love

They're dreaming of a white Christmas  
I'm dreaming of you  
I just need you by my side  
upon a Christmas night
