

Upon A Christmas Night

Michael Learns to Rock

I put my name on a Christmas card
with love from me to you
'Cause I believe if we're strong enough
our wishes will come true

They're dreaming of a white Christmas
I'm dreaming of you
I just need you by my side
upon a Christmas night

I put a coat on I go for a walk
and let the others talk
Flashing starlight when I look up
they know that I'm in love

They're dreaming of a white Christmas
I'm dreaming of you
I just need you by my side
upon a Christmas night
