

# Whatever It May Take

Michael Learns to Rock

You made me crawl feeling so small  
Creeping like shapes along the walls

Life fades to gray  
Why must I pay  
for giving my heart away

But whatever it may take  
However my heart breaks  
I'll keep singing in the rain  
'till your back again

You left a hole deep in my soul  
leaving my world so cold

But standing eye to eye  
I still wonder why  
we had to say goodbye

And whatever it may take  
However my heart breakes  
I'll keep singing in the rain  
'till your back again  
and whoever that changed your mind  
whoever that makes you blind  
I'll keep waiting here for you

All I ventured but nothing gained  
I'm walking through the rain  
Trying to keep a fading flame alive

Help!  
Help me  
Baby I'm lonely oh so lonely

Will I ever feel your love again  
Am I really losing you my friend  
Your absent talking your missing light  
Makes me lonely on a Saturday night
