

What She Wants

Michael Martin Murphey

She hasn't had time to learn about this world
She takes each day the way it comes
And she can get sad but she's just a little girl
She doesn't ask much from anyone

But what she wants is you and me
Love at home like it used to be
And what she wants is what we were
The way we loved when we had her

She's only a child but all the tears are real
She may wish they didn't show
She hasn't got words to tell us how it feels
She tries so hard to let us know

That what she wants is you and me
Love at home like it used to be
And what she wants is what we were
The way we loved when we had her

You may think it's not enough
That she wants us back in love
And I won't beg and I won't plead
But what she wants is what I need

What she wants is you and me
Love at home like it used to be
And what she wants is what we were
The way we loved when we had her
The way we loved when we had her
