

After The Dance

Michael McDonald

Ooh dance with me
Come on dance with me, baby
Dance with me
Come on dance with me, baby
Dance with me
Come on dance with me, baby
Dance with me
Come on dance with me, baby

I want you and you want me
So why don't we
Get together after the dance

Ooh when I first saw you
Lookin' good on the soul train
So good
I cannot get you sharp and right
Dancin' good spinnin' everywhere

I thought to myself
You were so fine
The ways you move
So fine
She's movin' so real, I need her
What you need is me

I want you and you want me
So why don't we
Get together after the dance

While we danced
Let's break this baby
You were so fine
The way you moved me
Your eyes
Told me warm things
Oh baby, whisper out between you and me
Got to leave you my sweet lovin', baby

Nobody else's got, nobody's got my love
Except for a few, if I were you
I want you to take me with you
What'cha gonna do

I want you and you want me
So why don't we
Get together after the dance
Dance

Dance with me
Come on dance with me, baby
Dance with me
Come on dance with me, baby
Dance with me
Come on dance with me, baby
Dance with me
Come on dance with me, baby

I want you and you want me
So why don't we
Get together after the dance

I want you and you want me
So why don't we
Get together after the dance

I want you and you want me
So why don't we
Get together after the dance
