After The Dance

Michael McDonald

Ooh dance with me Come on dance with me, baby Dance with me Come on dance with me, baby Dance with me Come on dance with me, baby Dance with me Come on dance with me, baby I want you and you want me So why don't we Get together after the dance Ooh when I first saw you Lookin' good on the soul train So good I cannot get you sharp and right Dancin' good spinnin' everywhere I thought to myself You were so fine The ways you move So fine She's movin' so real, I need her What you need is me I want you and you want me So why don't we Get together after the dance While we danced Let's break this baby You were so fine The way you moved me Your eyes Told me warm things Oh baby, whisper out between you and me Got to leave you my sweet lovin', baby Nobody else's got, nobody's got my love Except for a few, if I were you I want you to take me with you What'cha gonna do I want you and you want me So why don't we Get together after the dance Dance Dance with me Come on dance with me, baby Dance with me Come on dance with me, baby Dance with me Come on dance with me, baby Dance with me Come on dance with me, baby

I want you and you want me So why don't we Get together after the dance

I want you and you want me So why don't we Get together after the dance

I want you and you want me So why don't we Get together after the dance
