

# For Once In My Life

Michael McDonald

For once in my life I have someone who needs me  
Someone I've needed so long  
For once unafraid I can go where life leads me  
And somehow I know I'll be strong

For once I can touch what my heart used to dream of  
Long before I knew  
Someone warm like you  
Could make my dreams come true

For once in my life I won't let sorrow hurt me  
Not like it's hurt me before  
For once I've got someone I know won't desert me  
I'm not alone anymore

For once I can say: "this is mine you can't take it"  
As long as I've got love I know I can make it  
For once in my life I've got someone who needs me  
Someone who needs me, someone who needs me

For once in my life

For once in my life I won't let sorrow hurt me  
Not like it's hurt me before  
For once I've got someone I know won't desert me  
I'm not alone anymore

Now, for once I can say: "this is mine you can't take it"  
As long as I've got love I know I can make it  
For once in my life I've got someone who needs me  
For once in my life, someone who needs me  
For once in my life, someone who needs me  
For once in my life, someone who needs me
