

How Sweet It Is (to Be Loved By You)

Michael McDonald

I needed the shelter of someone's arms
And there you were
I needed someone to understand my ups and downs
And there you were

With sweet love and devotion
Deeply touching my emotion
I wanna stop and thank you baby
I just wanna stop and thank you baby

How sweet it is to be loved by you
Like honey to the bee, baby
How sweet it is to be loved by you

I close my eyes at night
Wondering where would I be without you in my life
Everything was just a bore
All the things I did seemed undone never before

But you brighten up all my days
With a love so sweet in so many ways
I wanna, I wanna thank you baby
I just wanna thank you baby

Oh now, how sweet it is to be loved by you
Like sugar to my soul baby
How sweet it is to be loved by you

You were better to me than I was to myself
For me there's you and there ain't nobody else
I wanna thank you baby
I just wanna stop and thank you baby

How sweet it is to be loved by you
Like sugar to my soul baby
How sweet it is to be loved by you

No baby, how sweet it is, how sweet it is now baby
Oh no, like sugar to my soul baby
Hey, 'coz I love you baby
No, you make me something baby
When I'm loved by you, I close my eyes at night
