I Knew You Were Waiting (For Me)

Michael McDonald

Like a warrior that fights And wins the battle I know the taste of victory Though I went through some nights Consumed by the shadows I was crippled emotionally Somehow I made it through the heartache Yes I did, I escaped I found my way out of the darkness I kept my faith (I know you did), kept my faith

When the river was deep I didn't falter When the mountain was high I still believed When the valley was low it didn't stop me, no no I knew you were waiting, I knew you were waiting for me

With an endless desire I kept on searching Sure in time our eyes would meet Like the bridge is on fire The hurt is over, one touch and you set me free I don't regret a single moment, no I don't looking hack When I think of all those disappointments I just laugh (I know you do), I just laugh

So we were drawn together through destiny I know this love we shared was meant to be I knew you were waiting, I, I knew you were waiting I knew you were waiting, knew you were waiting for me

I did not falter when the mountain was high I still believed when the valley was low It did not stop me I knew you were waiting, I knew you were waiting for me When the mountain was high, knew you were waiting When the valley was low, I knew it baby, I knew it baby I knew you were waiting, I knew you were waiting Knew you were waiting for me I cant not falter, when the mountain was high I still believed when the valley was low It did not stop me Cause I knew you were waiting Knew you were waiting for me When the mountain was high When the mountain was high
