

I Second That Emotion

Michael McDonald

Maybe you wanna give me kisses sweet
But for only one night with no repeat
Maybe you'll go away and never call
But a taste of honey is worse than not at all

Oh little girl in that case I don't want no part
Well do believe
That would only break my heart

If you feel like lovin' me
If you've got the notion
Second that emotion

If you feel like givin' me
A lifetime of devotion
Second that emotion

Maybe you think that love would tie you down
And you don't have the time to hang around
Maybe you think that love was made for fools
And so it makes you wise to break the rules

Oh little girl in that case I don't want no part
Do believe
That would only break my heart

If you feel like lovin' me
If you've got the notion
Second that emotion

If you feel like givin' me
A lifetime of devotion
Second that emotion

Oh little girl in that case I don't want no part
Do believe
That would only break my heart

If you feel like lovin' me
If you've got the notion
Second that emotion

If you feel like givin' me
A lifetime of devotion
Second that emotion

No no baby
I second that emotion
No no
Second that emotion

Hang on baby
Hey you'll kill me hangin' on girl
Can't hang just along baby
Second that emotion
