

# If That's What It Takes

Michael McDonald

How do I please you  
How do I please you  
How do I please you  
How do I please you  
Girl, in your one way heart  
In your one track mind  
How do I please you  
How do I please you

Oh, when I say that you're the only one  
I'm not tryin' to fool you, baby  
Well, I'm only here to get the job done  
'Cause you're so used to getting what you want  
Well, look no further, baby

If that's what it takes  
I don't need to know anymore  
Ain't no doubt about it  
That's what I came here for

So how do I please you  
How do I please you  
Girl, in your one way heart  
In your one track mind  
How do I please you  
How do I please you

Well, I don't know much about the life you lead  
But it ain't enough just to offer my heart  
Girl, I know I could get you what you need  
'Cause you're so use to getting what you want  
Well, look no further, baby

If that's what it takes  
I don't need to know anymore  
Ain't no doubt about it  
That's what I came here for

If that's what it takes  
I ain't gonna lose any time  
Whatever you want from me, baby  
Whatever it takes to make you mine
