

Loving You Is Sweeter Than Ever

Michael McDonald

Remember me before we met
Every night and day
I had to live the life
Of a lonely one

And I remember meeting you
Discovering love could be true
It shared by two
'Stead of one

When you said you loved me and want me
And we could not be parted
Said, I built my world around you
Ever since I found you, darling

Loving you has made my life
Sweeter than ever, now baby
Loving you has made my life
Sweeter than ever, baby

Each day I pray we'll never part
Because the love within my heart
Grows stronger baby, day to day

And best I came, I always try
To reassure and satisfy
You know, I'll be lost
If you went away

When you said you loved me and want
And we could not be parted
When I built my world around, baby
Ever since I found you

Loving you has made my life
Sweeter than ever, baby
Loving you has made my life
Sweeter than ever and ever

When you said you loved me
And we could not be parted
Said I built my world around you
Ever since I found you, baby

Loving you has made my life
Sweeter than ever, no no baby
Loving you has made my life
Sweeter than, sweeter than ever now baby, baby

Loving you has made my life
Sweeter than ever, ever
Loving you has made my life
Sweeter than ever, ever

Loving you has made my life
Sweeter than ever, ever
Loving you has made my life

Sweeter than ever, ever

Loving you has made my life
Sweeter than ever
Loving you has made my life
Sweeter than ever
