

# Nowhere To Run

Michael McDonald

It's not love, I'm running from  
But the heartache I know will come  
'Cause I know you're no good for me  
But you become a part of me  
Everywhere I go your face I see  
Every step I take you take with me, no

Nowhere to run, baby  
Nowhere to hide  
Got nowhere to run to, baby  
Nowhere to hide  
I know you're no good for me  
But free of you I'll never be, no

Each night as I sleep  
Into my heart you creep  
I wake up feeling sorry I met you  
Hopin' soon that I'll forget you  
When I look in the mirror to comb my hair  
I see your face and smiling there, no

Nowhere to run  
Nowhere to hide  
I got nowhere to run to, baby  
Nowhere to hide  
I know you're no good for me  
But you've become a part of me, no

How can I find a lover?  
That should love be  
When it's so deep, so deep  
Deep inside of me  
My love reaches so high I can't get over it  
It's so wide I can't get around it, no

Nowhere to run to, baby  
Nowhere to hide  
I just can't get away from you, baby  
No matter how I try  
I know you're no good for me  
But free of you I'll never be

Each night as I see your face  
I know you're a part of me  
But so deep, so deep and  
No, no  
I just can't get away from you, baby  
No matter how hard I try

Nowhere to run to, babe  
Nowhere to hide  
Nowhere to run to, babe
