

# Reflections

Michael McDonald

Through the mirror of my mind  
Time after time  
I see reflections of you and me

Reflections of the way life used to be  
Reflections of the love you took from me

I'm all alone now  
No love to shield me  
Trapped in a world that's  
a distorted reality.

Happiness you took from me  
and left me alone  
with only memories.

Through the mirror of my mind  
Through these tears that I'm crying  
Reflects the hurt I can't control  
Cause although you're gone  
I keep holding on  
to the happy times  
ooh when you were mine

AS I peer out through the window  
of lost time  
Looking over my yesteryear  
And all this love I gave all in vain

(all the love) All the love I've wasted  
(all those tears) All the tears that I've tasted  
(ooh ,ooh) All in vain  
(all in vain , till nothing remains)

Through the hollow of my tears  
I see a dream that's lost  
From the hurt  
That you have caused

Everywhere I turn  
seems like everything I see  
Reflects the love that used to be  
In you I put all my faith and trust  
and right before my eyes my world has turned to dust

After all those nights I sat alone and wept  
Just a hand full of promises and all that's left of loving you

Reflections of  
the way life used to be  
Reflections of  
the love you took from me  
in you I put all my faith and trust  
right before my eyes my world was turned to dust
