

Since I Lost My Baby

Michael McDonald

Sun is shining, there's plenty of light
New day dawning, sunny and bright
But after I've been crying all night
The sun is cold, and the new day seems old

Since I lost my baby
Since I lost my baby

Birds are singing, children are playing
There's plenty of work and the bosses are paying
Not a sad word should a young heart be saying
But fun is a bore and with money I'm poor

Since I lost my baby
Since I lost my baby

Someone please remind her, of the love she left behind her
Next time I'll be kinder, won't you please help me find her?
Till then I'll be trying ta, everyday I'm more inclined ta
Be kinda and find her

Oh, determination is fading fast
Inspiration is a thing of the past
Don't see how my hope's gonna last
Good things are bad and what's happy is sad

Since I lost my baby, since I lost my baby
I feel so bad, I feel so sad oh baby
Since I lost my baby, I feel so bad now baby
No no I know, I feel so bad, oh yeah
