Since I Lost My Baby

Michael McDonald

Sun is shining, there's plenty of light New day dawning, sunny and bright But after I've been crying all night The sun is cold, and the new day seems old

Since I lost my baby Since I lost my baby

Birds are singing, children are playing There's plenty of work and the bosses are paying Not a sad word should a young heart be saying But fun is a bore and with money I'm poor

Since I lost my baby Since I lost my baby

Someone please remind her, of the love she left behind her Next time I'll be kinder, won't you please help me find her? Till then I'll be trying ta, everyday I'm more inclined ta Be kinda and find her

Oh, determination is fading fast Inspiration is a thing of the past Don't see how my hope's gonna last Good things are bad and what's happy is sad

Since I lost my baby, since I lost my baby I feel so bad, I feel so sad oh baby Since I lost my baby, I feel so bad now baby No no I know, I feel so bad, oh yeah
