

Stop, Look, Listen (to Your Heart)

Michael McDonald

Ohh, ohh ooo, ohh ooo
No no baby
Ooo ooo ooo

You're alone all the time
Does it ever puzzle you?
Did you ask, why you seem to fall in love and out again?
Do you ever really love or just pretend?
Oh baby, why fool yourself
Don't be afraid to help yourself
It's never too late, too late to

Stop, look
Listen to your heart, hear what it's sayin'
(Stop)
Stop, look
And listen to your heart, hear what it's sayin'
(Love)
Love
Love
(Love, haa, love)
Love ooo

Though you try, you can't hide
All the things you really feel, this time decide
That you will open up and let it in
There's no shame in sharin' love you feel within
So darling, just jump right in
(Jump right in)
Head over heels and fall right in
'Cause it's never too late, too late to

Stop, look
And listen to your heart, hear what it's sayin'
(Oh baby)
Stop, look
(Stop)
And listen to your heart, hear what it's sayin'
(Love)
Love
Love
Love

Don't blame, can you hear me?
No, no no baby
Oh baby, ooh
Oh darling can you hear me, hey?
Ohh love
(Stop right now and listen to your heart)
Baby would stop and listen
Listen, baby
(Touch and love, it's never too late)
Never too late, never too late
Hear what it's sayin'
(Stop and look, listen to your heart)
Why can't you hear?
Oh no

Hear what you askin', stop
(Yaa yaa yaa yaa)
No baby
(Touch and love, it's never too late)
No no
And listen to your heart, hear what it's sayin'
(Stop and love, listen to your heart)
Ooh listen to your heart, hear what it's sayin'
(Touch and love, it's never too late)
Yea yea yea
So so so
No no
(Stop and love, listen to your heart)

Try it, try it
Yeah
You bet it's the
(Touch and love, it's never too late)
Let it go little slowly babe, yeah yeah yeah
(Stop and love, listen to your heart)
Oh listen to your heart
Hear what it's sayin'
(Touch and love, it's never too late)
Hey listen to your heart, hear what its's sayin'
(Stop and love, listen to your heart)
