## **Take It To Heart**

## Michael McDonald

I know that you're afraid to love You've been hurt before Love broke your heart so you closed the door Now here I am outside your world

Wishin' you'd let me in Give me half a chance to prove you wrong Baby, all your tears have come and gone Talkin' 'bout a brand new start

Take it to heart, baby, believe it
This love is so strong that it won't let you go
Baby, hold on, you'll see
Just how good it's gonna be

It's gonna be here long as you need it Never take your world and tear it apart Take it to heart, baby

You're gonna have to trust someone
It's a shame if you don't
Because it ain't no life living all alone
Let me show you how to love again

There's no broken heart that love won't mend
Talkin' 'bout a brand new start
I just want to be the one that'll be there by your side
So take this love of mine, take it to heart

Baby, believe it, this love is so strong, love is so strong, baby

(love is a second chance to find all that we lost)
(Love's always worth a try no matter what the cost)
(I know you don't believe your tears have come and gone)
(Give me but half a chance and I will prove you wrong)
