

# This Is It

Michael McDonald

There've been times in my life  
I've been wondering why  
Still, somehow I believed  
We'd always survive  
Now, I'm not so sure  
You're waiting here  
One good reason to try  
But, what more can I say  
What's left to provide  
You think that maybe it's over  
Only if you want it to be  
Are you gonna wait  
For a sign, your miracle  
Stand up and fight  
This is it, make no  
Mistake where you are  
This is it, your  
Back's to the corner  
This is it, don't be a  
Fool anymore, this is it  
The waiting is over  
No, don't you run  
No way to hide  
No time for wondering why  
It's here, the moment  
Is now about to decide  
Let em believe  
Leave them behind  
But keep me near in your heart  
Know whatever you do  
I'm here by your side  
You say that maybe it's over  
Not if you don't want it to be  
For once in your life  
Here's your miracle  
Stand up and fight  
This is it, make no  
Mistake where you are  
This is it, you're going no further  
This is it until it's over and done  
No one can tell you  
What the future holds  
Oh oh oh oh, who makes  
The choice of how it goes  
It's not up to me  
This time, you know  
Comes a day in every life  
This is it, make no  
Mistake where you are  
This is it, you're going no further  
This is it until it's over and done  
This is it, one way or another  
This is it, no one can  
Tell what the future holds  
This is it, your back's to the corner  
This is it, you make the  
Choice of how it goes

This is it, the waiting is over...
