## This Is It

## Michael McDonald

There've been times in my life I've been wondering why Still, somehow I believed We'd always survive Now, I'm not so sure You're waiting here One good reason to try But, what more can I say What's left to provide You think that maybe it's over Only if you want it to be Are you gonna wait For a sign, your miracle Stand up and fight This is it, make no Mistake where you are This is it, your Back's to the corner This is it, don't be a Fool anymore, this is it The waiting is over No, don't you run No way to hide No time for wondering why It's here, the moment Is now about to decide Let em believe Leave them behind But keep me near in your heart Know whatever you do I'm here by your side You say that maybe it's over Not if you don't want it to be For once in your life Here's your miracle Stand up and fight This is it, make no Mistake where you are This is it, you're going no further This is it until it's over and done No one can tell you What the future holds Oh oh oh, who makes Tthe choice of how it goes It's not up to me Tthis time, you know Comes a day in every life This is it, make no Mistake where you are This is it, you're going no further This is it until it's over and done This is it, one way or another This is it, no one can Tell what the future holds This is it, your back's to the corner This is it, you make the Choice of how it goes

This is it, the waiting is over...
