Unbreakable

Michael Mind Project

Don't treat me like I'm broken,
All these words unspoken,
I don't wanna fade away,
Done holding on to yesterday.

The wound is still open,
The pain from you keeps poking,
I'll keep tryin' to find a way,
To bring the smile back on my face.

When tears come crashing down,
Emotions are flooding.
My words won't come out,
Feels like I'll die,
If I can't save myself,
Then who's gonna save me,
I won't cry for help!

I'll be unbreakable, yeah
I'll be unbreakable
I'll be unbreakable, yeah
I'll be unbreakable

My heart's cold, no matter
If I fall, won't shatter
Thought you got the best of me
But I'm not easy to defeat

I'm done with the lies and
All your broken promises
I don't need to fight
Cause I know how to survive

When tears come crashing down,
Emotions are flooding.
My words won't come out,
Feels like I'll die,
If I can't save myself,
Then who's gonna save me,
I won't cry for help!

I'll be unbreakable, yeah
I'll be unbreakable
I'll be unbreakable, yeah
I'll be unbreakable

I'll be unbreakable, yeah
I'll be unbreakable
