

## It's A Lie

Michael Monroe

Well come on!  
Well the kids want a little action  
The kids want a little fun  
The kids all have to get their kicks  
Before the evening's done  
CHORUS  
Cause they're going to  
Highschool Rah, Rah, Rah  
Highschool Sis Boom Bah  
Highschool Hey Hey Hey  
You better let them have their way. Yeah!  
They only want to shake it up baby  
Dance to the rockin' band  
They only want a little excitement  
They like to get a little out of hand  
REPEAT CHORUS  
Now! Uh!  
Let's go!  
The kids know what the deal is  
They're getting farther out every day  
We're gonna be takin' over  
You better get out of the way  
REPEAT CHORUS:  
Cause they're going to  
Highschool Rah, Rah, Rah  
Highschool Sis Boom Bah  
Highschool Hey Hey Hey  
You better get out the way  
Highschool Rah, Rah, Rah  
Highschool Cha Cha Cha  
Highschool Yeah, Yeah, Yeah, I said  
Highschool Rah, Rah, Rah  
Highschool My, My, My  
Highschool Sis Boom Bah  
Highschool Yeah, Yeah, Yeah  
Highschool Hey Hey Hey  
Etc.
