

From Here To Eternity

Michael Peterson

I did everything I could to get you here tonight
Without telling you why
Now girl if you only would please hold out your hand
And just close your eyes
I've been dying to ask you this one burning question
Will you be mine

From here to eternity
I'm asking you to share your life with me
Now and forever I guarantee
I'll always stay by your side
I promise my love to you
I'm willing and able and ready to
Whatever you need I am here for you
And I'll always be
From here to eternity

Well, I saved a year for this ring
I can't wait to see how it looks on your hand
I will give you everything that one woman needs
For a one woman man
I'll be strong, I'll be tender
A man of my word, and I will be yours

From here to eternity
I'm asking you to share your life with me
Now and forever I guarantee
I'll always stay by your side
I promise my love to you
I'm willing and able and ready to
Whatever you need I am here for you
And I'll always be
From here to eternity
