

## From Here To Eternity

Michael Peterson

I did everything I could to get you here tonight  
Without telling you why  
Now girl if you only would please hold out your hand  
And just close your eyes  
I've been dying to ask you this one burning question  
Will you be mine

From here to eternity  
I'm asking you to share your life with me  
Now and forever I guarantee  
I'll always stay by your side  
I promise my love to you  
I'm willing and able and ready to  
Whatever you need I am here for you  
And I'll always be  
From here to eternity

Well, I saved a year for this ring  
I can't wait to see how it looks on your hand  
I will give you everything that one woman needs  
For a one woman man  
I'll be strong, I'll be tender  
A man of my word, and I will be yours

From here to eternity  
I'm asking you to share your life with me  
Now and forever I guarantee  
I'll always stay by your side  
I promise my love to you  
I'm willing and able and ready to  
Whatever you need I am here for you  
And I'll always be  
From here to eternity
