Forever

Michael Schulte

I will try, try to let go
but I'm trippin' today
I know, I won't break
cause you're the one that made me strong
But I, I still fall back in time
cause I, I can't stop thinking of you
oh I miss you so much
oh I miss you so much
Forever – Forever

I will try, try not to forget
but I will try to ease the pain
And I know, you hear me
and that will keep me strong
But I, I still fall back in time
cause I, I can't stop thinking of you
oh I miss you so much
oh I miss you so much
Forever – Forever

But I, I still fall back in time
cause I, I can't stop thinking of you
oh I miss you so much
oh I miss you so much
Forever
