

# The Love You Left Behind

Michael Schulte

I still remember, I was young  
You put your hand on my shoulder  
Then you were gone  
I've been thinking lately  
How it could have changed me  
Oh, I wish you could see me now

Maybe I'm hopeless  
But I'm only human  
I hope that you know that I'd give it all  
For a moment with you

These cold hands, this burning heart  
Will always be alone without you  
I lost you, but all the love you left behind  
Will always remind me, remind me of you

So many years have come and gone  
But every picture without you still feels so wrong  
I've been thinking lately, what would you say if you saw me?  
Would you be proud of what I've become?

Oh, these cold hands, this burning heart  
Will always be alone without you  
I lost you, but all the love you left behind  
Will always remind me, remind me of you

Maybe I'm hopeless  
But I'm only human  
I hope that you know that I'd give it all  
For a moment with you  
Oh, maybe I'm hopeless  
Maybe I'm hopeless  
But I'm only human  
I hope that you know that I'd give it all  
For a moment with you

These cold hands, this burning heart  
Will always be alone without you  
I lost you, but all the love you left behind  
Will always remind me, remind me of you
