

# The Maze

Michael Schulte

Oh If I listen to my heart,  
Will it lead me through the dark like a compass?  
And if I listen to my heart,  
Will it bring a little spark to this cold blood?

PRE-CHORUS

Uh uh uhh uh uh uh uhhhhh,  
Yeah I'm lost, lost,  
Uh uh uhh uh uh uh uhhhhh,  
But I won't stop, no I won't stop, no no.

CHORUS

I will find my place,  
Yeah I will fight my way,  
Through the maze,  
Through the maze,  
Through the maze.

These walls are filled with rage,  
But I will fight my way,  
Through the maze,  
Through the maze,  
Through the maze.

My world is breaking, now I'm shakin,  
Like a hurricane inside my bones,  
My world is breaking but I'm taking it  
Like I can see the lights of home

PRE-CHORUS

CHORUS

The smoke is clearing now,  
All the fears come tumbling down.
