

Tonight

Michael Schulte

I'm diving in the deep
the deepest memories
it's been a while since I last heard your voice
Everything feels so good
and I'm not even doubting that you're here
living a life that's just not real
I go back in time tonight
and I look into your eyes
I don't wanna wake up
tonight, tonight
ohohoh
All sadness is gone
there's nothing to long for
cause all I'm longing for
is right here
I go back in time tonight
and I look into your eyes
I don't wanna wake up
tonight, tonight
I've never loved anyone more, more, more
I never thought I'd be so deeply lost in pain
I go back in time tonight
and I look into your eyes
suddenly I open my eyes, my eyes
I want to go back in time
and once again look into your eyes
but I know you'll never arise, arise
