

You Said You'd Grow Old With Me

Michael Schulte

I'd like to say I'm okay but I'm not
I try but I fall
Close my mind
Turn it off

But I can't be sober
I cannot sleep
You've got your peace now
But what about me?

Thought we had the time,
Had our lives
Now you'll never get older, older

Didn't say goodbye
Now I'm frozen in time
Getting colder, colder

One last word
One last moment
To ask you why
You left me here behind

You said you'd grow old with me..

We had plans
We had visions
Now I can't see ahead

We were one
We were golden
Forever, you said

But I can't be sober
I cannot sleep
You've got your peace now
But what about me?

Thought we had the time,
Had our lives
Now you'll never get older, older

Didn't say goodbye
Now I'm frozen in time
Getting colder, colder

One last word
One last moment
To ask you why
You left me here behind

You said you'd grow old with me..

Thought we had the time,
Had our lives
Now you'll never get older, older

Didn't say goodbye
Now I'm frozen in time
Getting colder, colder

Just one last word
One last moment
To ask you why
You left me here behind

You said you'd grow old with me...
