

# Terms Of Surrender

Michael Stanley

From "Coming Up For Air", 1996, Intersound Music

One song... one kiss  
One more night to hold you  
These are all the things I'll miss  
when darkness comes...

(CHORUS:)

Oh these... are my terms  
of surrender  
Hey these... are my terms  
of surrender...

One smile... one touch...  
One more time around you  
All I ask is not that much  
'til darkness comes...

(BRIDGE):

You know there's a moment in time  
when your heart's never felt  
quite so true...  
And you were that  
moment of mine  
That moment was you...

(CHORUS)
