From "Coming Up For Air", 1996, Intersound Music

```
One song... one kiss
One more night to hold you
These are all the things I'll miss
when darkness comes...
(CHORUS:)
Oh these... are my terms
of surrender
Hey these... are my terms
of surrender...
One smile... one touch...
One more time around you
All I ask is not that much
'til darkness comes...
(BRIDGE):
You know there's a moment in time
when your heart's never felt
quite so true...
And you were that
moment of mine
That moment was you...
(CHORUS)
```
