

Could He Be the Messiah

Michael W. Smith

Been here for days, I'm amazed at this teacher, carpenter, preacher
Lost in the crowd, I hear Him now, He's praying and He's saying
"God feed them all"
Five-thousand men, all of His friends are worried find bread and hurry
Five loaves and fish, what can He wish, He's praying still He's saying
"God feed them all"

Could He be the Messiah?
Miracle man, part of the plan
Could He be the Messiah?
Life in his hand, I understand He could be

Bread for our needs fully He feeds our hunger older and younger
Twelve baskets more can we ignore, He shows us that He knows us
Is He the Christ?
God in His eyes, I realize His power, need of the hour
Jesus is His name, they say He came to feed us and to receive us
Is He the Christ?

Could He be the Messiah?
Miracle man, part of the plan
Could He be the Messiah?
Life in his hand, I understand

He could be the Messiah?
Miracle man, part of the plan
Could He be the Messiah?
Life in his hand, I understand He could be

It is He, the Messiah
Miracle man, part of the plan
It is He, the Messiah
Life in his hand, I understand

It is He, the Messiah
Miracle man, part of the plan
It is He, the Messiah
Life in his hand, I now understand

It is He, the Messiah
He's a Messiah
It is He, the Messiah
I know it is He

It is He, the Messiah
He's your Messiah
It is He, the Messiah
He's a Messiah

It is He, the Messiah
It is He, the Messiah
