

# Hang On

Michael W. Smith

Let the tempest and the flood  
Shake your soul and spill your blood  
Like an old song  
Keep hold'n on  
Let the people laugh at you  
Call you names and say you're through  
Never let go  
Keep hanging' on

Hang on, hang on  
Can you hear me,  
I'm gonna say it again  
Hang on, hang on  
Never giving up, no, never giving in

Hang on every hopeful word  
Even when it seems absurd  
Keep holdin' on  
If you triumph when you fail  
Keep your head when you prevail  
Be a hero  
Keep hangin' around

Hang on, hang on  
Are you listening,  
Let me say it again  
Hang on, hang on  
Never giving up, no,  
Never giving in
