

# I'll Wait for You

Michael W. Smith

Morning Mr. Repo Man  
Give me one more week and I'll be gone  
It's been a long hard month of Sundays  
And still no rain  
Nothin' left around here but the dust and shame  
I know you know (hmmm)  
I know you know

And I'm trying to find a way  
To hold onto my faith  
While I wait, for You  
I'll wait for You

Now I lie awake at night  
Tryin' hard to think  
But these are the hardest times I've ever seen  
I'm still holdin' on

I know You never said it'd be easy  
All thick and no thin  
But the man who waits  
Is the man who wins  
Holdin' on  
Oh yeah, I'm holdin' on

Gonna hide myself away  
Hide myself away  
And I'll wait for You  
I'll wait for You  
I'll wait for You  
I'll wait for You

I need You now  
I need You now, (yeah, oh, oh)  
You I need You now (oh, yeah, yeah,)

And I'll wait for You  
I'll wait for You  
I'm gonna wait for You (oh)  
I'll wait for You

I'm gonna walk on  
And not get weary, now  
I'm gonna run  
And not fall down  
I know that someday  
I'll get my wings somehow  
And You will carry me  
You will carry me

I'm gonna rise up  
Like an eagle, now  
Gonna ride that big blue sky  
And should I someday  
Fall back down again

You will carry me

You will carry me, even now (oh yeah, yeah) (yes you will)  
Carry me, even now, (You're gonna carry me)  
You will carry me  
You will carry me even now  
oh carry me, (oh yeah)
