## I Will Be Your Friend

## **Michael W. Smith**

So many memories and so many miles the road that stretches behind us We've had some laughter and our share of tears But all these moments unite us

I'll be your friend for a lifetime Against the wind and the rain of every season Won't walk away in the hard times I will be your friend I'm saying I will be your friend

Sure as the river runs to the sea High as the mountain that reaches You were there by my side till the end (and) helped me on my feet again

I'll be your friend for a lifetime Against the wind and the rain of every season Won't walk away in the hard times I will be your friend I'm saying I will be your friend

So in the valley walk on Don't have to face it alone Cause in the hard times We keep growing strong As we learn, as we live That we live when we give

I'll be your friend for a lifetime Against the wind and the rain of every season Won't walk away in the hard times I will be your friend I'm saying I will be your friend
