

Take My Breath Away

Michael W. Smith

Glory so beautiful
The earth displays your majesty
How could you ever be
So mindful of someone as me

You captivate
Splendor I have never seen
Nothing else can compare
You're infinite
You're everywhere

You're everything I can't explain
You set my heart on fire
and here I stand amazed
You take my breath away
You take my breath away

See me, all I am
These empty hands
Are all I can give
That you would die so I'd live
Your sacrifice I can't believe

You fascinate
You stole my heart
I can't forget
And now that I've felt your love
No turning back, I can't get enough

You're everything I can't explain
You set my heart on fire
and here I stand amazed
You take my breath away
You take my breath away

The morning breaks,
My soul awakes
You are my one desire
and here I stand amazed
You take my breath away
You take my breath away

With just one word
With just one glance
I'm lost in this divine romance
and every single day
more than I can say
You take my breath away

You're everything I can't explain
You set my heart on fire
and here I stand amazed
You take my breath away
You take my breath away

The morning breaks,
My soul awakes

You are my one desire
and here I stand amazed
You take my breath away
You take my breath away

Oh, oh, oh
You take my breath away
Oh, oh, oh
You take my breath away
You take my breath away
