

# The Other Side of Me

Michael W. Smith

If they were to write about  
The story of my life  
They would have to mention you  
With every page they'd write  
There's another side to every story told  
If I were the ocean  
You would be the shore  
And one without the other one  
Would be needing something more  
We are the shadow and the light

Always love me  
(And) never leave me now  
(And) now you are the other side of me  
Always love me  
(And) never leave me now  
(And) now you are the other side of me

I have known the emptiness  
Of feeling out of touch  
And living life without you here  
Would be living half as much  
Cause I've a need that only you can fill

If love was mathematical  
You'd understand the sum  
to the heart's equation  
Where one and one makes one  
And lonely equals me minus you

Always love me  
(And) never leave me now  
(And) now you are the other side of me  
Always love me  
(And) never leave me now  
(And) now you are the other side of me
