## **There She Stands**

## Michael W. Smith

When the night
Seems to say
All hope is lost
Gone away
But I know
I'm not alone
By the light
She stands

There she waves
Faithful friend
Shimmering stars
Westward wind
Show the way
Carry me
To the place
She stands

Just when you think it might be over Juust when you think the fight is gone Someone will risk his life to raise her There she stands

There she flies
Clear blue skies
Reminds us with red
Of those who died
Washed in white
By the brave
In this dream
She stands

When evil calls it? s self a martyr When all your hopes come crashing down Someone will pull her from the rubble There she stands

We? ve seen it flying torn and tattered We? ve seen her stand the test of time And through it all the fools have fallen There she stands

By the dawn? s
Early light
And through the fight
She stands
