

One Moment Away

Michale Graves

One moment away
One moment away

I stop trying to win the situation, factuation
I'm sorry you have lost your way
I'm dying to have a conversation

One moment away
Some say salvation
One moment away
Some say salvation

I stop trying to heal the situation, molestation
I'm sorry you have lost your way
I'm dying to have a conversation

One moment away
Some sing salvation
One moment away
Some say salvation

I stop trying to heal the congregation, I can't save ya
I'm sorry you have lost your way
I'm dying to send someone salvation

One moment away
Some sing salvation
One moment away
Some say salvation
