

Return To Earth

Michale Graves

These cigarettes are killing me
Force away the bars
Empty paper carton snort the protein
And the drugs
50 mile contact and the day

The day
The starts don't seem so far away
Monster movie play
Our hero stumbles
Psycho rumbles
50 mile contact and the day

The day
Return to earth
Return to all thats normal
Return to earth
They are calling
They are calling

Return to earth!
Return to all thats normal!
Return to eath!
They are calling!
They need someone to save
Hey!
Return to earth
