

Scream

Michale Graves

Whooooa
Whooooa
Whooooa
Screeeaaaaaammmmmmmmmmm!

A chill runs up your spine
It crawls into your brain
The freezing touch of fear
It's driving me insane
Although you try to fight
Dragged from the silence where you hide
'til you scream!
'til you scream!

A chill runs up your spine
It crawls into your brain
The freezing touch of fear
It's driving me insane
Although you try to fight
Dragged from the silence where you hide
'til you scream!
'til you scream!
Scream!
I can't wait to hear you scream!

It's driving me insane
Although you try to fight
Dragged from the silence where you hide
'til you scream!
Scream!

I can't wait to hear you...
I can't wait to hear you scream!
I can't wait to hear you...
I can't wait to hear you scream!
Scream!
Scream!
