Michale Graves

Whooooa  
Whooooa  
Whooooa  
Screeeaaaaaammmmmmmmm!

A chill runs up your spine  
It crawls into your brain  
The freezing touch of fear  
It's driving me insane  
Although you try to fight  
Dragged from the silence where you hide  
'til you scream!  
'til you scream!

A chill runs up your spine  
It crawls into your brain  
The freezing touch of fear  
It's driving me insane  
Although you try to fight  
Dragged from the silence where you hide  
'til you scream!  
'til you scream!  
Scream!  
I can't wait to hear you scream!

It's driving me insane  
Although you try to fight  
Dragged from the silence where you hide  
'til you scream!  
Scream!

I can't wait to hear you...  
I can't wait to hear you scream!  
I can't wait to hear you...  
I can't wait to hear you scream!  
Scream!  
Scream!
