

# Breathe

Michelle Branch

I've been driving for an hour  
Just talkin' to the rain  
You say I've been driving you crazy  
And it's keeping you away  
So just give me one good reason  
Tell me why I should stay  
'Cause I don't wanna waste another moment  
Saying things we never meant to say

And I take it just a little bit  
I hold my breath and count to ten  
I've been waiting for a chance to let you in

If I just breathe  
Let it fill the space between, I'll know  
Everything is alright  
Breathe  
Every little piece of me, you'll see  
Everything is alright  
If I just breathe

Well it's all so overrated  
You're not sayin' how you feel  
So you end up watchin' chances fade  
And wonderin' what's real

And I give it just a little time  
I wonder if you realize  
I've been waiting till I see it in your eyes

If I just breathe  
Let it fill the space between, I'll know  
Everything is alright  
Breathe  
Every little piece of me, you'll see  
Everything is alright  
If I just breathe, breathe

Shall I whisper in the dark?  
Hopin' you hear me?  
Do you hear me?

If I just breathe  
Let it fill the space between, I'll know  
Everything is alright  
Breathe  
Every little piece of me, you'll see  
Everything is alright

Everything is alright  
If I just breathe, breathe

I've been driving for an hour  
Just talking to the rain
