Goodbye to You

Michelle Branch

Of all the things I've believed in I just want to get it over with Tears form behind my eyes But I do not cry
Counting the days that pass me by

I've been searching deep down in my soul Words that I'm hearing are starting to get old Feels like I'm starting it all over again The last three years were just pretend And I said

Goodbye to you
Goodbye to everything I thought I knew
You were the one I loved
The one thing that I tried to hold on to

I still get lost in your eyes
And it seems that I can't live a day without you
Closing my eyes and you chase my thoughts away
To a place where I am blinded by the light
But it's not right

Goodbye to you
Goodbye to everything I thought I knew
You were the one I loved
The one thing that I tried to hold on to

And it hurts to want everything
And nothing at the same time
I want what's yours and I want what's mine
I want you
But I'm not giving in this time

Goodbye to you
Goodbye to everything I thought I knew
You were the one I loved
The one thing that I tried to hold on to

Goodbye to you Goodbye to everything I thought I knew You were the one I loved The one thing that I tried to hold on to

The one thing that I tried to hold on to The one thing that I tried to hold on to The one thing that I tried to hold on to

And when the stars fall I will lie awake You're my shooting star
