I cannot help it I couldn't stop it if I tried The same old heart beat Fills the emptiness I have inside And I've heard that you can't fight love So I won't complain Cause why would I stop the fire That keeps me going on 'Cause when there's you I feel whole And there's no better feeling in the world But without you I'm alone And I'd rather be in love With you Turn out the lights now To see is to believe I just want you near me I just want you here with me... And I'd give up everything only for you It's the least that I could do... 'Cause when there's you I feel whole And there's no better feeling in the world But without you I'm alone And I'd rather be in love With you I feel you holding me... Why are we afraid to be in love To be loved I can't explain it I know it's tough To be loved And I feel you holding me... Ohoh Ωh But when there's you I feel whole (I feel whole) And there's no better feeling in the world But without you I'm alone And I'd rather be in love Yes, I'd rather be in love Oh, I'd rather be in love... With you
